RE: MUR 3774
Coalitions for America, Inc.

Dear Mr. Harrison:

This letter is to acknowledge our receipt on Thursday, April 17 of the motion to dismiss filed on behalf of your client, Coalitions for America, and to follow up on our phone conversation last week concerning CFA's response to the Commission's February 11, 1997 Subpoena and Order.

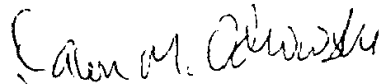

As I conveyed to you last Wednesday, I regret that we were unable to agree upon a date for the deposition of Eric Licht. Your motion to dismiss, filed in response to our efforts to set a deposition date, will be presented to the Commission as soon as possible. We will promptly notify you when the Commission takes action on the motion.

Additionally, as a reminder, during our phone conversation on Monday, April 14, you agreed to provide certain information supplementing or correcting CFA's response to the Commission's February 11, 1997 Subpoena and Order. Specifically, you agreed to provide the name, address, title, phone number, and current occupation, if known, of James Barrett, the League of Catholic Voters' ("LCV") contact named in your response to Interrogatory No. 1(a). As you will note, such identification information is required in accordance with the Subpoena/Order definitions and instructions. You also stated that you would confirm that the name of the LCV contact was James Barrett and not Joe Barrett. Moreover, as we discussed, although CFA's response to Interrogatory No. 2 indicates that it did not make grants to other organizations in 1992, the copy you provided of Statement 4 of CFA's Form 990 lists what appear to be grants to two other organizations: Liberation Support Alliance and Leadership Institute. Accordingly, as requested in Interrogatory No. 2, please state the dates and purposes of these other grants and further identify the recipients by providing addresses and phone numbers. Also, as both CFA's Form 990 and its response to Interrogatory 2 indicate a prior grant was made to LCV, please provide the date of that grant.

Finally, as we discussed, the copy of CFA's Form 990 provided in response to the February 11 Subpoena/Order does not include copies of Statements 2A and 2B (schedules of contributors). This is to confirm that CFA has declined to produce that information as it regards such lists to be private and reportable only to the Internal Revenue Service.

Please provide the information requested above by Friday, April 25, 1997, as it is essential to full compliance with the Commission's February 11, 1997 Subpoena and Order. If you have any questions, please feel free to call me at (202) 219-3400.

Sincerely,

Dawn M. Odrowski
